

The Bigger Picture Scholarship Form

Silver Eye Center for Photography is proud to offer over twenty full and partial scholarships for workshops beginning in February 2011, through the generous support of a Seed Award from The Sprout Fund. You may apply for tuition support for up to two classes through June 2011. Scholarships do not cover any materials fees, which remain the responsibility of the student.

Priority will be given to photographers, but any visual artist may apply.

The eligibility requirements are as follows:

- You must currently live, work and/or attend school in the 10-county Pittsburgh region.
- You must be between the ages of 20 and 40 years old.
- You must meet at least one of the following criteria:
 - Currently enrolled in the last year of a BA or BFA program, or an accredited MFA or certificate program in photography or other visual arts discipline.
 - Graduated within past five years from a degree-granting or accredited certificate program in photography or other visual arts discipline.
 - Demonstrate financial need.

Applications are reviewed on a rolling basis until funding is expended. Completed scholarship application and registration forms should be sent to Aaron Blum, Education Coordinator. Applicants will be notified by phone or email as to the status of their application.
